

Earn Up to \$300 for Every DIA Circuit That You Sell

And if you quote and contract the service through MasterStream, we'll throw in an additional \$200

Overview

Level 3 Communications wants to reward you, our Business Partners, for increasing IP sales by giving you an up front SPIF payment on any qualified DIA circuit that you sell. In addition, if you quote and contract your DIA through MasterStream, you can earn an additional \$200.

2 Year Contract Term = \$200

3 Year Contract Term = \$300

Terms and Conditions

- Service Term must be 24 months or greater
- DIA price must be above sales floor
- Available on net new sales only (no renewals or MACs)
- Maximum pay out on any one opportunity is \$5,000
- Payment will be made in the month following order acceptance
- Refer to the MasterStream incentive for details regarding its applicability

Contact your Partner Sales Manager with questions Details

Eligible services include: Level 3® Dedicated Internet Access. Maximum payout on any one deal is \$5,000. Minimum two year term required. SPIF opportunity is valid for sales signed and received by Level 3 from July 5, 2010 through August 31, 2010. New sales only qualify for this SPIF (no renewals). SPIF will be paid in the month following order acceptance. To qualify, orders must be accepted by Level 3, in its sole discretion. Orders that cancel or disconnect before contract expiration may result in a SPIF charge-back. Level 3 reserves the right to end the sales SPIF at any time and without notice. Void where prohibited. Certain restrictions may apply.
